**Jan 2026 - 2 Years
Master of Business Administration - Online
OL26202000024**

Overall, I am satisfied with the course. The curriculum was well-structured and covered the important concepts clearly. The faculty members were knowledgeable and supportive throughout the course. The study materials and assignments helped improve my understanding of the subject. However, I believe more practical sessions, industry-oriented examples, and interactive activities would make the learning experience even better. Regular guest lectures and workshops by industry experts would also add value. Thank you to the university and faculty for their efforts in providing a quality learning experience.
